St. Louis Cardinals Now Lead Philadelphia Athletics by One Game in World Baseball Series

"Pepper" Martin, centre fielder for St. Louis Cardinals is sensation of the series, batting phenomenally at a .666 clip.

Games now stand St. Louis 3, Philadelphia 2
Next game at St. Louis, Friday, October 9

Thanksgiving Monday
Oct. 12, Remembrance
Day Wed. Nov. 11

At the last session of Parliament it was decided to move Thanksgiving Day forward to a date in October as was the custom up until a few years ago and observe November 11 in each year as "Remembrance Day". This has been celebrated heretofore as Armistice Day in conjunction with Thanksgiving, the joint holiday always being observed on the Monday of the week in which November 11 fell.

Under the new legislation both days will be observed as public holidays. Thanksgiving has been proclaimed for Monday, October 12, and Remembrance Day will fall on Wednesday, November 11. Both will be school holidays.

As a measure of economy the school district superintendent's orders will be discontinued for this year. School authorities and teachers reading this notice are asked to give it as wide publicity as possible that no confusion may result.

After losing the first game in the series by a score of 6-2 the St. Louis Cardinals, staged a great come-back, taking three of the next four games, and are now returning home for the final struggle, leading the hard hitting Philadelphia Athletics by one game.

"Pepper" Martin, the Cardinal centre fielder, is the outstanding player of the series. With 12 hits to his credit, including a home run, stolen bases, fast base running and a wonderful display of fielding, this twenty-three year old rookie is possibly the greatest stellar performer in world series history. His batting average for the five games to date, is .666.

Each team has been blanked in one game. In the second game at St. Louis, Hallahan held the Athletics to three scattered hits and allowed no runs while the Cards nicked Earnshaw for 6 hits which netted them 2 runs. In the fourth "Pepper" Martin and his mates, by allowing only 2 hits (both by "Pepper" Martin) and no runs, while his team-mates collected 9 hits off Johnson and 1 hit off Lindsey for 3 runs.

The sixth game will be played at St. Louis, Friday, Oct. 9, and if the seventh game is necessary it will be played at St. Louis, Saturday.

CANADA OFFERS PARADISE TO HUNTERS

With the fall of the leaf and the fading of autumn in the air the fishing rod is laid aside and the Nimrod looks to their rifles and shotguns, as the hunting season is ushered in. True to her reputation as one of the world's greatest playgrounds, Canada offers a wide range of sport, furred, feathered and horned, to all who care to penetrate its far-flung hinterlands. From coast to coast, all along the vast system of the Canadian Pacific Railway, there are countless se-

established points of entry into the woods and mountains, readily accessible to those in search of game. The shores of countless lakes, rivers, and creeks, abound with all varieties of duck and goose and are not infrequently the scene of the termination of successful expeditions after moose, elk and deer of all kinds. New Brunswick rivals Ontario and Quebec as moose territory, while further west, the towering Rockies offer their tribute

of bear, mountain sheep and mountain goat. Bear are also plentiful in the Ontario northland and in certain parts of Quebec. With a view to preservation, various restrictions have been made this year in the game laws of all Canadian provinces, but even with the new restrictions a broad period of hunting is offered and the invading army from Canadian shores, as well as from the United States, is already starting on its expeditions.

Oyen's fall chautauque started Monday evening with a play "Her Temporary Husband". For some years past chautauque audiences have filled the hall to capacity, but the attendance on the opening night this year reflected the financial condition of the district; there were many vacant seats.

Yesterday the Herbert Petrie Company presented a musical program of unusual merit and won the favor of the audience. Constance Neville-John, a talented member of this company, gave an interesting lecture on New Zealand. In the evening the same company delighted the audience with another fine entertainment.

This afternoon the Lucille Elmore Revue Company give a short program, followed by another this evening and a lecture "Getting by your Hoodoo" by Sam Grathwell.

The concluding programs tomorrow will be Sue Hastings' Marionettes in the afternoon, and a play in the evening by the Havelton Players.

The Seedless Blues

Crop season now just passing.

It hailed and blew, most dashing; Some spuds it left for mashing.

And wheat to draw for cashing.

But hope seems ever fading.

To next year's sun 'e'er shining,

The next thing we'll be finding.

A meal. Mill whistles—grinding.

The Baker's Shop makes—shoving.

Eat bread and keep him going;

All home industry—knowing.

That all helps school going.

A road we must be plying.

Twixt ocean ports—been trying

To bring it close, implying.

A hall—It rains—Keep saying.

Chautauque folks are coming.

All in a most becoming;

Some sing, some dance, some drumming.

Let go your cares (cash), come
